

REASONS TO RENEW

FINANCES

A university deep in debt.

Wasteful spending. Decreasing alumni support. Weak bond ratings. Poor transparency. No accountability.

GOVERNANCE

Previous dissolution of RPI Faculty Senate. Staff burnout and high faculty turnover. Intimidation of student leaders.

A culture of fear.

STRATEGY

Takeover of Student Union.

RPI Administration continues its ongoing efforts to seize control of the Student Union that has been student-run for more than a century.

LEADERSHIP

Administration denies students' request to peacefully protest the Union takeover. Fences off parts of campus, removes student posters. Judicial charges filed against student leaders.

Crackdown on Free Speech.

JUDGEMENT

An insulting email to alumni.

RPI Administration forwards a deeply offensive email to all alumni after trying to strong-arm Rensselaer Alumni Association into sending it.
